

Would you like to make a difference to your local community? Do you have skills and experience that could help support your local primary school?

Lifton Community Primary school is a successful stand-alone school with over 130 children. Our Governing board are looking for a number of additional Governors to support the school on its journey. We are looking for volunteers who can commit to one evening a month, a school visit per half term plus attendance at occasional events.

As a Governor, you will be involved in key decisions about how our school is run. You will have an important strategic role, making decisions in the best interest of our pupils and staff whilst working closely with the Senior Leadership Team. You will be involved in various aspects of school life, including curriculum, school development, premises management, health and safety, finance and staffing.

While you don't need to have specialist knowledge, you will require good organisational skills, be able work well with other people and want to give something special back to the future community. You will be comfortable being part of a team working towards a common goal. Above all you'll enjoy having an exciting and challenging role within a learning environment.

By giving a few hours of your time, you can make a real difference to the children in our community. To find out more and for an application form, please call the clerk to governors on 07515 635890 or email at clerk@lifton.devon.sch.uk

Aim high! Reach for the stars!
