

Dear Parents and Carers,

As many of the children enjoy being creative we will be sending home a half termly list of topic tasks. Your child should choose at least one of the tasks from the list and bring it into school before the end of this half-term.

All of the tasks that are brought into school will be rewarded with team points. We will also be sharing, celebrating and displaying all of the children's homework in the classroom!

Please ask if you have any questions regarding the homework.

Many Thanks,

Mrs Honey & Mrs Russell

Suggestion 1

Make a poster of the different wildlife that we might find in our school pond.

Hedgehogs' Homework Sheet Autumn 1st Half Term 2020

Weekly Tasks

- Read at home at least 3 times a week
- Practise weekly times table and division facts
- Practise weekly spellings

Suggestion 2

Ask someone to take a photo of you reading in an unusual place. Bring the photo into school to share with the class.

Suggestion 3

Construct a 3D animal of your choice using recycled materials you can find around your home.

Suggestion 4

Follow a recipe to create a yummy treat for you and your family. Take a photo and tell us about it in class.
