

Home Learning

Robins weekly letter.

Week 1 -5-1-21

I hope you had a lovely Christmas Break and enjoyed some family time. We are now back to teaching children remotely and asking parents to teach their children at home. The home learning will be put on to the school Website weekly.

During the last lockdown I got very few emails from parents. I am more than happy to answer any questions you may have about your child's learning and would love to hear how they are getting on. It becomes very challenging to complete plans for children that you don't see and have little communication with. As this week's home learning is now for only two days we have decided to do activities that are not linked to our new topic and start that next week. Our new topic 'Once Upon a Time'.

Every week there will be a weekly letter, phonics (to complete at least 4 days in the week), two Literacy and Maths activities and some busy bee activities that the children can do if they wish. I cannot stress enough how important daily phonics is.

All of the children in Robins have worked so hard this term and have made great progress. Let's work together to keep the progress going.

Maths

Press on the link on the Robins class page titled Maths activities 5/1/21

Literacy

This week the literacy activity is at the bottom of the busy bee activities.

Phonics

Press on the link titled Phonics activity 5/1/21

Children need to segment and blend the sounds for reading and match to the correct picture.

I will use our Facebook page if I have any extra messages but each week there will be a letter to go with the planning.

If you have any questions, comments or feedback please email admin@lifton.devon.sch.uk and I will get back to you as soon as possible.

Many thanks

Mrs. Kinger
