**Phonics Play-** This is a website that we use in school and is a great interactive and fun way for children to practise and develop their phonic sounds and words. Due to the current lockdown they have made it accessible to all again.

Username: Jan21  
Password: home

Please press the link below which should take to straight to the game. If this doesn't work - type phonics play into google and then type the username and password in. Then select picnic on pluto and select phase 2 and add n, m or d. You could play this game or the other games at any point in the week to help chn embed the sounds.

Children need to sort the rubbish and treasure words correctly. They have all played this game in school.

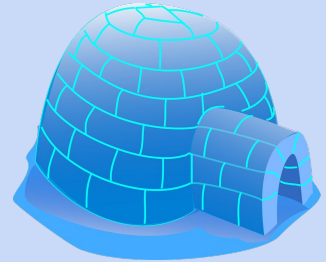

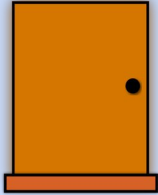

# Handwriting

Practise writing your name cursively -  
use the name sheets that got sent home  
please.

# Thursday

Focus sounds: i, n, m, d

Writing - write the words to match the pictures. Your letters do not need to be formed correctly just have a go. If writing is too difficult then segment the sounds you can hear and tell your adult which sounds are in the words.

Words to write are - pit, pan,

Watch the youtube video - focus on i, n, m, d  
This is a different video where the sounds are  
used to make words.
